

REMARKS

With the cancellation of claim 3, claims 1, 2, and 4-15 are now pending in the above-referenced application and are submitted for the Examiner's reconsideration.

Applicants have incorporated allowable claim 3 into claim 1, have rewritten each of allowable claims 12 and 13 in independent form, and have incorporated the allowable subject matter of claim 3 into claim 15. Accordingly, allowance of all of the pending claims is respectfully requested.

As to the indefiniteness rejection of claims 7 and 15, Applicants have deleted "about" from claim 7, but have not taken any action on the original subject matter of claim 15, since the Examiner provides no reason for rejecting this claim.

Respectfully submitted,

KENYON & KENYON LLP
